| 1.Gala | <ul style="list-style-type: none">• Rory thanked everyone for the immense effort and support given to the new committee. The gala had been a great success. After the meeting a few people were going to attend Meckphen to erect tents for drying & restacking tables/chairs.• Nicola reported on the gala finances. Profit from the Gala was £2100.91• Discussed events, identifying good & bad.• Elaine, who did an excellent job on the gate, stated that everyone had commented positively on how well organised the gala was. There was something for everyone and the free teddies donated by local Freemasons went down a treat with the kids.• Brian Falconer apologised for the lack of entrants for the tug-o-war. He had issued many letters and was disappointed by the lack of response.• Comments from stall holders mainly positive, although they commented on the discrepancy of table sizes. It was pointed out that 'stall holders' were asked during set-up if they required tables and how many. We had a very poor response to these letters.• It was suggested that a co-ordinator should be appointed for the Sat/Sunday and they should not be tasked with anything else apart from directing volunteers to setup. Agreed and will be implemented at the next Gala. |
